WWLA Luncheon - Tuesday, April 6th - 11:45 a.m. to 1:00 p.m.

Paula Casey with Results Unlimited will help us fall in love with our lives this April!

Ask yourselves the following questions:

If the answer is yes, this WWLA Luncheon is for you. We will discuss reasons you are stuck and tools you can use to fall back in love with your life. Based on the professional corporate program "Thinking Into Results" that has been presented for over 50 years.

RSVP and PREPAY before April 1st by emailing cindy@wiba.org or calling (316) 201-3264.

New Face in the WIBA Office

WIBA has hired Cindy Patry as the new Operations Manager. For the last 33 years, Cindy has been working at Campus High School. She was the Principal's secretary and office manager for past 26 years. She is most excited about the changes here at WIBA and feels that is an excellent fit for her. We are thrilled to have her on board. Please welcome her at the next event.

WIBA Connections

In an effort to connect WIBA members on a more personal level, we are in the process of putting together a leads group that will meet once a month, Wednesday at noon. Date will be announced to the group. This networking/leads group is named WIBA Connections.

Our goal is to have about 15 people participate and then grow the group from there. We will ensure that you are the only person from your industry in the group. It's a wonderful opportunity to get to know other members and expand your current business circles.

At the first meeting, you will get to know each other and each other's businesses. At the second meeting and every one after that, each person will be required to bring at least one lead for another member in the group. Visitors are welcome to sit in once, after that they must join WIBA if they want to continue. You are welcome to bring lunch.

Please email Lisa-Marie at lisa-marie@wiba.org and let her know you would like to join. We hope you are as excited about this new opportunity as we are!
