Meet & Greet with Admiral Windwagon Smith - March 14th, 10 a.m.

WIBA Offices, 200 E. 1st St., Wichita

This year's Admiral Windwagon Smith would like to meet the WIBA members! This is a come and go event so stop in, even if it is only for a few minutes. We will have coffee and cookies. Also, the identity of the Admiral Windwagon Smith is still unknown so this is great opportunity to be one of the first to meet the ambassador.

WIBA Connections

Want a personal networking group at WIBA?

WIBA Offices, 200 E. 1st St., Wichita

In an effort to connect WIBA members on a more personal level, we are in the process of putting together a leads group that will meet once a month, Wednesday at noon. Date will be announced to the group. This networking/leads group is named WIBA Connections.

Our goal is to have about 15 people participate and then grow the group from there. We will ensure that you are the only person from your industry in the group. It's a wonderful opportunity to get to know other members and expand your current business circles.

At the first meeting, you will get to know each other and each other's businesses. At the second meeting and every one after that, each person will be required to bring at least one lead for another member in the group. Visitors are welcome to sit in once, after that they must join WIBA if they want to continue. You are welcome to bring lunch.

Please email Lisa-Marie at lisa-marie@wiba.org and let her know you would like to join. We hope you are as excited about this new opportunity as we are!
